LICENSING

Blair Kids Academy is a school-age-only child care program licensed by the State of Nebraska through the Department of Health and Human Services (DHHS). Blair Kids Academy follows all regulations set forth by the DHHS to ensure licensing compliance with the State of Nebraska. Blair Kids Academy is subject to routine and unannounced inspections by a Child Care Inspection Specialist as well as inspections by the Fire Department and Sanitation Department. Blair Kids Academy maintains the school-age child to staff ratio of 15:1, as dictated by state regulations.

STAFF

Dedicated, experienced, and well-trained staff are our most valuable asset at Blair Kids Academy. Staff members are selected based on their experience, training, and personal commitment to the needs of children. All Blair Kids Academy staff receive background checks through The Child and Adult Protective Service Registry. Staff also receive annual training in relevant child care subjects and a staff member certified in CPR/First Aid is always present during program hours.

CHILDREN SERVED

The Blair Kids Academy does not discriminate in our admission policies based on race, sex, religion, place of national origin, or mental abilities. To be eligible for child care at Blair Kids Academy, the children must be ages 5 - 13, enrolled in the Blair Community Schools and must attend the BKA site located at the school they attend. ***If your child has special considerations (including but not limited to behavioral concerns, ADD, ADHD, hearing impairment, speech impairment, asthma, food allergies, or any condition that may affect his/her ability to receive appropriate care at Blair Kids Academy), please notify us AT THE TIME OF ENROLLMENT.*** A special needs care plan may be developed with the involvement of the child's parents/guardians, Program Director, Site Supervisor, Classroom Instructor, and other appropriate personnel. The feasibility of the plan's implementation will be determined by several factors, including but not limited to trained personnel resources, state guidelines, and program safety. Blair Kids Academy cannot provide one-on-one supervision during operating hours. Care of all children must allow Blair Kids Academy to operate within the state defined guidelines of a 1:15 ratio (one staff member to fifteen children).

In addition, all children enrolled in Blair Kids Academy must meet the following criteria:

- be eligible to enroll in the Blair Community Schools System
- be able to move to and from the toilet in the restroom without assistance
- have age-appropriate hygiene skills (i.e. restroom cleanliness, washing hands and face)
- have age-appropriate eating skills (i.e. uses spoon, self-serves from cup or spoon)
- have age-appropriate dress skills (i.e. removes/puts on coat, boots, hat, re-dresses self after restroom use)
- have physical endurance to interact or participate in indoor and outdoor play
- be able to adhere to the discipline policy and indoor and outdoor rules

Blair Kids Academy reserves the right to restrict admission or continued enrollment on a case-by-case basis. It is mandatory that parents list on the registration form at the time of registration if their child has any special needs or accommodations. Failure to comply with this request at the time of registration may result in removal from the Blair Kids Academy. All information listed will remain confidential. We request such information for the safety and wellbeing of your child, so that appropriate and adequate care can be given to best serve your child's needs.

REGISTRATION FEES

A non-refundable registration fee will be charged at the time of registration and again annually at reregistration. This fee will be deducted through Tuition Express at the time of registration. The fee is \$40.00 for the first child and \$30.00 for each additional child. This fee covers enrollment in Blair Kids Academy for the school year.

PAYMENTS

Blair Kids Academy uses Tuition Express for our payment system. This is a secure and convenient way to pay your child's account. After registering in Blair Kids Academy and receiving approval of your Tuition Express account, you will be assigned a unique Tuition Express ID number (please contact the Director at 402-427-2723 to obtain). With this number and the last four digits of your bank account, families can then register their account through Tuition Express. Tuition is withdrawn from your checking account every other Monday for the subsequent 2 weeks of care. A withdrawal schedule is provided in this packet. The Tuition Express system holds three months worth of account information, allowing families to print off receipts online. We recommend that families access their account once per month and print off a transaction receipt. The website is www.tuitionexpress.com.

*****Blair Kids Academy does not accept cash, checks, or money orders. All payments must be made through Tuition Express, NO EXCEPTIONS.**

SETTING UP A TUITION EXPRESS ACCOUNT

To register with Tuition Express, follow the steps below:

1. Go to [Tuition Express.com](http://TuitionExpress.com) and click on Register Here at the top left of the screen.
2. Enter your Tuition Express ID number (call the Program Director of Blair Kids Academy at 402-427-2723 to obtain). Note: Tuition Express does not accept phone calls from parents.
3. Enter the last 4 digits of your bank account number or credit card used to process your Tuition Express payments.
4. Select a Username and Password. You'll use this information each time you log into TuitionExpress.com. If you forget your username or password you can always re-register.
5. Follow the on-screen instructions to complete the process.

NOTE: If the bank returns any payment, a \$25.00 return fee will be assessed to your Tuition Express bank account. Please note that the amount of payment returned, the \$25.00 return fee, and any other current payments or fees will be processed on the next scheduled Tuition Express withdrawal date. Failure to resolve outstanding balances within 2 weeks of late notification status may result in termination from the Blair Kids Academy Program.

TITLE 20 PROVIDER

Blair Kids Academy is an approved Title XX provider. Authorization from the State of Nebraska must be provided with the registration paperwork, prior to the first day of care. Blair Kids Academy's Title XX identification number is 33485277. Please use this number when applying for Title 20 through the state.

LATE PICKUP FEES

All children are to be picked up by 6:00 PM. Parents will be charged for late pick-up at a rate of \$5.00 for the first minute and \$1.00 per additional minute per child, beginning at 6:01 PM. This fee will be assessed immediately and must be paid before the student may return. Blair Kids Academy reserves the right to terminate the contract with individuals who arrive late to pick up their child(ren) on more than three (3) occasions within the current program year.

SPLIT PAYMENTS FOR DIVORCE/SEPARATION SITUATION

Blair Kids Academy has the capability to withdraw funds out of two separate accounts. In divorce situations, Blair Kids Academy is able to split the amounts by the necessary percentage as outlined in the divorce decree and/or as agreed upon by both paying parties. Failure of both paying parties to adhere to the conditions as stated in their divorce decree and/or signed acknowledgement of responsibility may result in termination of one or both paying parties, reallocation of financial responsibilities or termination of services. Paying party eligibility will be terminated if Blair Kids Academy receives three (3) returned payments on behalf of a given paying party during one school year. Should the financial institution account of one paying party no longer be valid or if their eligibility is terminated, 100% of the tuition will then become the responsibility of the other paying party. Notification will be requested from the eligible paying party to assume 100% of tuition to continue services. Families will have one-week from the date of request to comply. Failure to comply will result in termination of services. Once the eligible paying party acknowledges 100% payment responsibility to continue services, Blair Kids Academy will continue to withdraw 100% of the tuition out of their financial institution account until the non-eligible party provides valid financial institution information or is granted reinstatement as an eligible paying party. This also applies to all other two paying parties.

Failure to submit payment for all tuition and associated fees accrued on a paying party's account will result in termination of the account and the balance being turned over to collections. Terminated accounts are subject to be reviewed for reinstatement by Blair Kids Academy the school year following termination and all determinations made regarding all accounts are at the discretion of Blair Kids Academy.

CHANGE OF STATUS FEE/TERMINATION PROTOCOL

Any change in registration status for your child, such as changing from full-time to part-time AM, must be provided in writing through an email at least two weeks (10 business days) in advance. Weekly charges continue to accrue until such time that a withdrawal or change of status notification has been received by the Program Director.

TAX RECORDS AND YEAR END TAX STATEMENTS

The Federal Tax ID number of the Blair Public Schools Foundation is **36-3567254** . It is the responsibility of the parent/guardian to maintain records of the total amount paid for the child during the calendar year. However, each family will be provided with a complimentary statement by January 31 with the prior year's tuition and payment information.

WITHDRAWAL FROM BLAIR KIDS ACADEMY (BY THE FAMILY)

Families who wish to discontinue child care services with Blair Kids Academy must give written notice of withdrawal by email. Notice must be submitted to your Site Supervisor or the Program Director at least two weeks (10 business days) prior to withdrawal. Parents are obligated to continue payment of any tuition or fees until the withdrawal notification has been received. Any charges incurred during this time are non-refundable.

WITHDRAWAL FROM THE BLAIR KIDS ACADEMY (BY THE FOUNDATION)

Reasonable steps will be taken to avoid termination; however, if we can no longer provide care we will give a two-week notice. The two-week notice is null and void if the child is being removed for disciplinary reasons (please see "Disciplinary Policy"). You are responsible for payment for those two weeks even if your child does not attend. Exceptions will be reviewed by the Program Director. Blair Kids Academy may terminate services for any of the following reasons (but are not limited to):

- failure to honor obligations and policies written in the Family Handbook and other materials provided
- any actions by parents or children that adversely affect the program
- failure to complete required forms or maintain a current account balance
- lack of parental cooperation
- inability to meet the child's needs without additional staff (requires one on one supervision)

It is our policy to release a child to either parent unless we have a copy of a court order/divorce decree prohibiting one of the parents from having custody of a child. Children are also eligible to be released to authorized individuals as permitted by the parent having custodial rights on a given day as stated in the court order/divorce decree. Blair Kids Academy must have a copy of the order/decreed for our records. The Blair Community Schools Foundation will not assume responsibility for children released to unauthorized individuals if we do not have proper documentation on file.

HEALTH AND SAFETY

ILLNESS POLICY

If your child becomes ill while attending the program, you will be notified immediately. Children may not remain at Blair Kids Academy if any of the following symptoms are present:

- temperature of 100 degrees F or above
- diarrhea or vomiting
- unexplained skin rash or irritation
- evidence of a contagious disease

An ill child must be picked up from the program within one hour of being notified.

HEAD LICE

If head lice or nits are found on your child, you will be called to pick up the child and given information on treatment. The child will be checked upon their return and may stay if the child is 'nit free'.

CHRONIC AND SPECIAL HEALTH NEEDS

If your child has special considerations (including but not limited to behavioral concerns, ADD, ADHD, hearing impairment, speech impairment, asthma, food allergies, or any condition that may affect his/her ability to receive appropriate care at Blair Kids Academy), please notify us at the time of enrollment. A special needs care plan may be developed with the involvement of the child's parents/guardians, Program Director, Site

Supervisor, classroom instructor, and other appropriate personnel. The feasibility of the plan's implementation will be determined by several factors, including but not limited to trained personnel resources, state guidelines, and program safety. Blair Kids Academy cannot provide one-on-one supervision during operating hours. Care of all children must allow Blair Kids Academy to operate within the state defined guidelines of a 1:15 ratio (one staff member to fifteen children). All children enrolled in Blair Kids Academy must meet the following criteria:

- be eligible to enroll in the Blair Community Schools System
- be able to move to and from the toilet in the restroom without assistance

ACCIDENTS AND MEDICAL EMERGENCIES

The health and safety of children entrusted to our care is our top priority and we work to prevent accidents. If a minor accident occurs during our care, an accident report outlining the care and procedures administered to your child will be completed and placed in your child's file. The accident report must be signed by the parent/guardian before the child will be allowed to return to Blair Kids Academy.

In the event of a medical emergency or accident requiring a doctor's treatment, we will attempt to contact the parent/guardian immediately at the telephone numbers you have supplied. If we are unable to reach a parent/guardian, we will then try to contact the emergency contacts listed on your registration form, the child's physician, and call for an ambulance if needed. A staff member would accompany your child if they are transported to a hospital, and remain with the child until the parent/guardian arrive. A signed emergency medical authorization is required from the parent/guardian to allow the Blair Kids Academy staff to take necessary emergency medical measures. This permission is included on your registration form.

GENERAL GUIDELINES FOR ADMINISTERING FIRST AID

1. Staff will not move the child until we determine the extent of the injury.
2. Any mild cut or abrasion will be washed with warm water and a band-aid will be applied. Salves, ointments, or creams will not be applied or kept on site, unless an 'as needed' prescription is provided by a licensed healthcare professional and the parent/guardian has supplied it.
3. In case of deeper cuts possibly requiring sutures, staff will call the parent/guardian immediately. If we are unable to reach the parent/guardian, we will contact another authorized person on the child's registration form, or notify the child's listed physician for medical advice.
4. If a limb is visibly distorted, we will contact the parent/guardian immediately. The parent/guardian can then make the recommendation as to having 911 dispatched, or if the parent would prefer to transport. If we are unable to get in contact with the parent/guardian, staff will call 911 immediately. If a child is transported to a local hospital, a staff member will accompany the child to the hospital and remain with the child until the parent or guardian has arrived.
5. If a child becomes unconscious, 911 will be called immediately.
6. In case of a head injury of any kind, staff will apply a cold compress to the injured area, and call the parent/guardian.

CPR/FIRST AID

At least one staff member who is CPR/First Aid Certified must be on duty at all times. The BKA First Aid Kit and cell phone go with the Site Supervisor as the children move location throughout the site.

MEDICATION GUIDELINES

If possible, a parent/guardian should administer all student medications at home.

If a circumstance requires a student to take medication while at Blair Kids Academy, the Program Director or Site Supervisor may administer the medication in compliance with the following regulations:

1. All medication to be administered by Blair Kids Academy must be accompanied by written parental/guardian permission and the physician's statement indicating the need and instructions for correctly administering the medication. The parent/guardian must complete the 'Medication Permission and Questionnaire' including signing a competency statement which will be kept in the child's file.
2. All medication must be presented in the prescription container, properly labeled, including the child's name, physician's name, and the directions for administering.
3. Over the counter medication, or as needed medication, (i.e. aspirin, cold tablets, cough drops, throat lozenges, etc.) cannot be administered without a verbal or written order from a physician.
4. All emergency medication, such as asthma inhalers and Epipens, must be accompanied with an Emergency Action Plan and a note including explicit dosage and administration instructions from a physician.
5. If at all possible, consult with your physician about the timing of the medication. Some prescriptions can be written so there is no need to have it administered during Blair Kids Academy hours.
6. All medications administered by Blair Kids Academy must be stored and/or refrigerated in a locked container, available only to Blair Kids Academy Staff.
7. All medication not picked up will be disposed of at the end of the year or when the child is no longer enrolled in Blair Kids Academy.

Blair Kids Academy will not store nor administer any medication that has not been delivered to the Program Director or Site Supervisor by a parent/guardian with accompanying proper completed documentation. Expired medication will not be kept on site as it is in violation of our licensing agreement with the State of Nebraska.

Medication will be checked on a monthly basis and all expired medication will be returned directly to a parent/guardian. It is the responsibility of the parents/guardians to supply Blair Kids Academy with non-expired medication with accompanying completed documentation for the administration of any prescription or nonprescription medication on site.

*****Please note that Blair Kids Academy does not have access to the schools medications. Any medication that needs to be administered during Blair Kids Academy will need to be supplied by the parent/guardian.**

All EpiPens must be accompanied with an Emergency Action Plan and a note including explicit dosage and administration instruction from a physician. If your child would require the use of the Epi-pen while in attendance, the following steps will be taken:

1. The Epi-pen would be injected by a staff member.
2. 911 would be called after the Epi-pen is injected.
3. The parent/guardian would then be contacted and given further information.

LATEX GLOVES

Vinyl gloves are worn by staff when administering first aid. Please inform the Program Director or Site Supervisor and indicate on your child's registration form if your child has a vinyl allergy.

BEHAVIOR

DISCIPLINE OF CHILDREN

Under the Nebraska Department of Social Services regulations, no child shall be pinched, punched, left alone, shaken, struck with an object, bitten, or spanked by staff. Parents will be informed if the child's behavior becomes unmanageable.

INAPPROPRIATE FORMS OF DISCIPLINE

The following are inappropriate forms of discipline that will ***not*** be used by staff at Blair Kids Academy:

- restraints
- profane or abusive language
- isolation without supervision
- placing a child in a dark area
- inflicting physical pain
- forced physical activity, such as running laps, doing push-ups, etc....
- verbal abuse or loud voice tones directed in a derogatory manner
- writing sentences

DISCIPLINE POLICY

If an inappropriate behavior occurs, Blair Kids Academy Staff will use the following steps (in order):

1. **Encourage** appropriate/good behavior and redirect his/her activity.
2. If the behavior continues, **remove** the child from the situation and place in a time out (in sight, but away from other children, not to exceed more than 1 minute per year of age).
3. Upon completion of time out, **remind** child of appropriate behavior and allow child to join an activity.

For more serious offenses, place the child in a time out immediately and determine whether a discipline report needs to be filled out.

DISCIPLINE REPORTS

When, in the judgement of the Site Supervisor, the inappropriate behavior is serious enough to warrant further action, but not serious enough to warrant immediate suspension from Blair Kids Academy, a Child Disciplinary Report will be completed. A copy of the Child Disciplinary Report will be given to the parent/guardian. If three Child Disciplinary Reports are filed, the child will be suspended from the program for 3 school days. Following the suspension, two additional Child Discipline Reports will result in suspension from Blair Kids Academy for ten school days. Following the 10 day suspension, any behavior serious enough to warrant a Child Disciplinary Report will result in immediate and permanent removal from Blair Kids Academy.

In certain instances, the Program Director or Site Supervisor may determine that it is necessary to immediately suspend or terminate a child from Blair Kids Academy. This decision would be determined after the Site Director and Program Director investigate the facts. Any parent/guardian wishing to appeal a Child Disciplinary Report may address their concerns by writing the Director at P.O. Box 288 Blair, NE 68008. It will be forwarded to the Blair Community Schools Foundation for further review. All determinations made by the Foundation Board are final.

If a child with previous discipline reports goes 30 calendar days without additional discipline reports, the Site Director and Program Director **may** grant that child a 'reset' for good behavior. This essentially erases their previous discipline reports so they can start at 0 again.

The Director may, at any time, suspend or expel a student for behavior that is hurtful to others, both physically and verbally. Keeping students safe and unharmed is our number one job and hurtful behavior will not be tolerated.

STANDARDS OF BEHAVIOR

Below is an outline of expected standards of behavior to help guide families enrolled in Blair Kids Academy. Please take a few minutes to review these with your child.

1. The rights, property and dignity of each person in and around the school are to be safeguarded at all times.

- all materials should be treated in a respectful fashion so as to increase their longevity

COMPUTERS AND NETWORKS

AGREEMENTS

We are pleased to offer students of Blair Kids Academy access to the district computer network. To gain access to the internet, all students attending the Blair Kids Academy must sign a "Student Agreement", and their parents/guardians must sign a "Parents/Guardians Agreement", and return it to Blair Kids Academy staff. Access to the internet will enable students to explore thousands of libraries, databases, and bulletin boards with internet users throughout the world. Students and parents/guardians should be warned that some material accessible by the internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. While our intent is to make internet access available to further educational goals and objectives, students may find ways to access other materials at will. We believe the benefits to students from access to the internet, in the form of information resources and opportunities, exceed any disadvantages. But ultimately, parents/guardians of minors are responsible for setting and conveying the standards their students should follow when using media and information resources. To that end, Blair Kids Academy supports and respects each family's right to decide whether or not to apply for access.

E-MAIL AND INTERNET RULES

E-mail and Internet networks are provided to students to conduct research. Access to network services is given to students who have agreed to act in a responsible manner. Parental/guardian permission is required for student use. Access to the Internet and e-mail is a privilege, not a right.

1. Individual users of the district computer networks are responsible for their behavior and communications over those networks. Users will comply with district standards and will honor the agreements they have signed. Beyond clarification of such standards, the district is not responsible for restricting, monitoring, or controlling the communications of individuals utilizing the network.
2. Network storage areas shall be treated like school lockers. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly.
3. Users should not expect, and the district does not warrant, that files stored on district servers will always be private.

4. The district will not be liable for purchases made by any user over the network. Users shall not make purchases of goods and/or services via the district's network.

POLICY FOR ACCEPTABLE USE OF COMPUTERS AND NETWORKS

The following policy for acceptable use of computers and networks, including Internet, shall apply to all district administrators, faculty, staff and students. All technology equipment shall be used under the supervision of the site administrator.

1. Users shall not erase, remake, or make unusable anyone else's computer, information, files, programs or disks. In addition to any other disciplinary action or legal action that may occur, any user violating this rule shall be liable for any and all damages for the replacement of any damage to the computer, information, files, programs, or disks.
2. Users shall not let other persons use their name, log-on, password, or files for any reason (except for authorized staff members).
3. Users shall not use or try to discover another user's password.
4. Users shall not use Blair Community Schools or Blair Kids Academy computers or networks for non-instructional or non-administrative purposes (e.g., games or activities for personal profit).
5. Users shall not use the computer for unlawful purposes, such as illegal copying or installation of unauthorized software.
6. Users shall not copy, change, or transfer any software or documentation provided by the Blair Community Schools or Blair Kids Academy, teachers, or other students without permission from the network administrators.
7. Users shall not write, produce, generate, copy, propagate, or attempt to introduce any computer code designed to self-replicate, damage, or otherwise hinder the performance of any computer's memory, file system, or software.
8. Users shall not use the computer to annoy or harass others with language, images, or threats. Users shall not access or create any obscene or objectionable information, language, or images.
9. Users shall not tamper with computers, networks, printers, or other associated equipment except as directed by the teacher or network administrator.

All of the policies and procedures for acceptable use of computers and networks are intended to make the computers and networks more reliable for users. They are also intended to minimize the burden of administering the network so that more time can be spent enhancing services. Use of the computer to access telecommunications resources is a privilege and not a right. Violation of the policies and procedures of the Blair Community Schools and Blair Kids Academy concerning the use of computers and networks may result in disciplinary action up to, and including, suspension and/or expulsion of students and suspension, termination, non-renewal, or cancellation of the contract of an administrator, teacher or other school employee. Violations of the policies and procedures of the Blair Community Schools and Blair Kids Academy concerning the use of computers and networks will result in disciplinary actions being taken against individual administrators, faculty, staff and/or students who are in violation of said rules. Disciplinary action may include loss of access, in addition to other disciplinary or legal action.
